OPTIONS FOR ALL STOCK AND PERSONALIZED LABELS

• Available with Hinged Mylar Overlay

Notations on the printed label are protected from harsh solvents and repeated cleanings. When ordering, simply add -WO to the label's base catalog number, followed by the color number: ME-13-WO-2

• Available in Your Choice of Seven Colors

To order in a color different from that illustrated, use the number in the appropriate color box as a suffix to the label's base number: ME-13-2 is yellow, ME-13-3 would be green.

• Available in Non-Smudge Silver Mylar Material

This unique material requires no overlay, withstands all standard cleaning solutions. Notations remain clear and legible throughout use. To order, add the suffix -SM in place of the label's color number: ME-13-WO.

STOCK LABELS COLOR CODED BY MONTH

Color Bars designate month of service

Handwritten, initialed notes specify date of service and due date of next service

Number of month reinforces instant recognition

Optional, built-in mylar overlay protects written information when necessary

- May be custom imprinted. Call for information.
- Supplied 1,000 labels per roll.

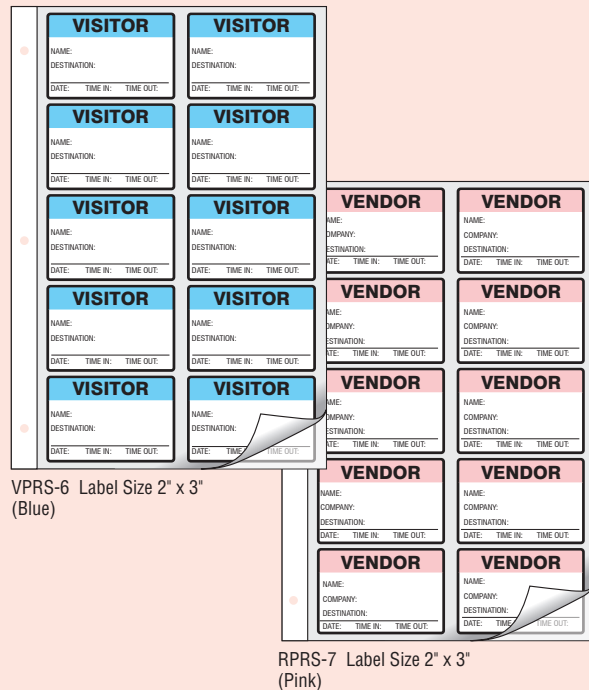

TAMPER EVIDENT STOCK PERSONALIZED LABELS

- Personalized with your facility or department name.
- Lift from liner backing intact.
- Internal slits prevent intact removal after use.
- Supplied 1,000 labels per roll.

LABELS WITH PROTECTED RECORD SHEET

- Write information on label and remove from liner sheet.
- Information copies on Record Sheet hidden by liner.
- Completed Record Sheet provides a permanent record.
- 10 Labels per 7 1/2" x 11" sheet, 100 sheets per box.

Labels available in 7 Colors to designate day, week, or department.

When ordering, please indicate color desired by placing the color number after the label's catalog number shown above.

TIME-EXPIRING DOT LABEL SETS

Two pressure-sensitive Dot Labels work together to show the word "VOID" against a rose color background, preventing reuse of the Visitor Pass.

Specialty Visitor Pass Labels for Security

TIME-EXPIRING REGISTRY BINDERS

Available with stock or custom labels, spiral binders hold 50 sheets of 10 time-expiring labels each. Information noted on the labels is duplicated on a hidden backing sheet to provide a concealed record of each Visitor Pass issued. Registry labels feature a time-sensitive tab that, when folded under the label, shows VOID after 24 hours. Labels are available in stock or custom formats.

Specialty Ribbons for Thermal Transfer Printers

Shamrock offers ribbons in a variety of materials, widths and colors to best serve the label's application and run trouble free through your thermal transfer printer.

For all Thermal Transfer Printers including:

Zebra • Intermec • Blaster • Blazer • Datamax • Sato • Dymo • Fargo
Brady • Epson • Printronix • Citizen • Weber • Cognitive • And More.

Wax-Based Ribbons

Premium wax-based film, manufactured with strict quality control. Superior back-coating provides effective ribbon flow, reduces printhead wear and ensures high performance on a wide variety of facestocks.

- Bar Coded Labels
- Patient Charge Labels

Wax/Resin Ribbons

Wax/resin formulation ribbons are an effective alternative to resin when matched with correct materials and applications. These ribbons provide superior durability when matched with paper facestocks and provide smudge resistance when matched with softer synthetics.

- Bar Coded Labels
- Extended Use Labels

Resin Ribbons

Resin ribbons are excellent for printing on polyester, vinyl and other synthetic materials. When matched with the proper facestocks, these ribbons provide superior smudge and smear resistance.

- Extreme Environments
- Asset Labels

To find a ribbon with exact properties you require, simply give us the following information.

- Make/model of printer (for instance, Zebra TLP 2844)
- Dimensions of the label to be printed
- Ribbon color desired
- Label usage requirements (temperature extremes, chemical contact, etc.)

Shamrock can provide the Ribbon ideally suited to your thermal transfer printing needs.
